## EXPERIENCE

***Regents and SAT Tutor, Khan's Tutorial, Richmond Hill, NY***, March 2017 - November 2017

- Motivated and guided struggling students to success in Regents examinations including Algebra, Geometry, Trigonometry, and Biology in group instruction, receiving the *Instructor of the Month Award* in August 2017
- Tailored the SAT test prep curriculum to address the weaknesses of a classroom of 15 students
- Increased average SAT scores by upwards of 100 points within 4 sessions using engaging and effective instruction
- Promoted family involvement using in-depth conferences to break down long-standing communication gaps
- Facilitated and expedited data collection and processing by automating a digital workbook of scoring and attendance information

***Creative Services Intern, Rebecca School, New York, NY***, July 2017 - August 2017

- Assisted in documenting standard procedure for company trainees by editing videos using Adobe Premier CC
- Created, edited, and published digital images and print documents for distribution on the company website and on fliers using the Adobe Creative Suite
- Overhauled the text of the company website for clarity and consistency using Wordpress, HTML, and knowledge of journalistic writing conventions

***Living Latin in Rome Fellow, Paideia Institute, Rome, Italy***, July 2016

- Participated in a merit scholarship study abroad program in Rome, Italy for 16 days of immersion in Roman culture, arts, and architecture
- Studied ancient Latin passages from authors such as Ovid, Cicero, and Virgil
- Spoke and performed in Latin for other members of Living Latin in Rome at a venue held by the Paideia Institute

***President, Humans of Brooklyn Latin, Brooklyn, NY***, December 2014 - July 2017

- Founded Humans of Brooklyn Latin on Facebook to promote a deeper understanding of the joys and struggles of students at Brooklyn Latin
- Captured 116 portraits of students, amassing more than 630 likes on Facebook
- Led a team of photographers to increase quality and output of the page.
- Employed conventions of artistic digital negative editing using Darktable and Gimp
